Glenda:

I'm not sure if you received my e-mail yesterday, so I'll try it again. I'm on my way to Coloardo currently.

I would like to express my desire to continue on the Ravalli County Economic Development Authority as a Commissioner and to continue to the capacity of Vice-Chair.

I find it has been valuable to be a part of the RCEDA as the Manager of the Bitterroot Job Service Workforce Center and concerned with workforce in the County. I continue to be a land owner, tax payer, and voter in Ravalli County, in addition, to my strong interest in helping existing and new businesses for the benefit of our economy.

Thank you for your support.

Patti Furniss
